28. Instructor Connor Redpath:

- Very knowledgeable and personable! Pre-written notes are helpful when trying to follow along to the lecture and the assignments definitely promote learning. He is very approachable and always answers questions in a way that allows us to think for ourselves rather than straight up providing answers.
- Connor explained the mathematical reasoning behind each of our topics well, but I would have also liked to see how to approach the problems from a more fundamental perspective.
- Overall, he is an excellent professor. He prepared class well and answered piazza questions quickly. He knows class materials and always gives examples to help us understand the lecture.

29. Do you recommend this professor overall?

6 (100.0%):	Yes
0 (0.0%):	No

### Custom Question 5

30. Please provide examples of the ways the instructor did or did not create a learning environment that welcomed, challenged, and supported all students.

- lecture recordings are not only by podcasts but also on zoom which is very thoughtful
